

## Do...

- Tell us you are fundraising for St Martins\*
- Take part in properly organised events
- Involve your family, friends and colleagues
- Download our customisable fundraising posters and resources\*\*
- Use social media to promote what you're doing
- Contact us if you would like to borrow branded collecting tins and buckets, or if you would like some leaflets
- Use online fundraising pages like JustGiving or Virgin Money Giving to manage donations
- Ask permission before collecting donations in private premises (shops, cafes etc)
- Send us photographs and tell us what you did

## Don't...

- Take part in anything that is not safe (organised events are usually fine, but for example, don't sleep out on the streets unless it's part of an organised event that is being properly managed and risk-assessed)
- Collect donations on the street (unless you are joining a licenced St Martins collection – it is illegal to collect donations on the streets without a street collection licence)
- Knock on people's doors to ask for donations (again, this is illegal without a licence.)

\* Tell us what you are doing using this form: [smartins.getfundraising.co.uk/register](http://smartins.getfundraising.co.uk/register), or call 01603 667706.

\*\* Posters and other resources are here: [smartins.getfundraising.co.uk](http://smartins.getfundraising.co.uk)
